

Here's a "Sneak Peek" at Evelyn J. Hadden's presentation,
Design Ideas to Shrink Your Lawn

Evelyn J. Hadden, founder of LessLawn.com and author of the award-winning book *Shrink Your Lawn: Design ideas for any landscape*, presents five strategies for designing away part or all of your lawn. Each strategy includes a number of ideas that can be adapted to different garden sizes and regions.

**Start where you only
go to mow.**

- Slope Gardens,
- Boulevard Gardens,
- Welcome Gardens,
& more ideas!

Boulevard Garden with prairie grasses

shady Rain Garden

**Replace lawn with more
useful elements.**

- Herb Gardens,
- Rain & Swale Gardens,
- Shoreline Buffers,
& more ideas!

Make new garden rooms.

- Side Gardens,
- Secret Gardens,
 - Crossings,
- & more ideas!

urban Side Garden

golden No-Mow Lawn

Use lawn substitutes.

- No-mow Lawns,
 - Patios,
 - Ponds,
- & more ideas!

Patio with Island Beds

Nurture a lawnless landscape.

- Woodland Gardens,
 - Stroll Gardens,
- Lawnless Neighborhoods,
& more ideas!

Patio adjacent to Pond

Stroll Garden

Across the country, people are gaining variety, year-round interest, birds and butterflies, and relief from the routines of mowing and watering.
Let their landscaping ideas inspire you!
